VIEW 1

This sturdy, stainless steel wall bracket is available for wall-mounting 1 gallon jugs of hand cleaner. Use 3/16" fasteners to mount the bracket onto the wall (view 1). Slip gallon jug into bracket. Install a pump-top dispenser (either stock no. 0-1600 or stock no. 0-2222) to securely hold jug in place (view 2).

Brackets and dispensers are available with hand cleaner orders from Gent-L-Kleen Products, Inc. Call your Gent-L-Kleen representative or Gent-L-Kleen directly for pricing and further information.
