

Skilled Hands Deserve The Very Best!™

DISPENSER-MATE® 5000 DISPENSING SYSTEM

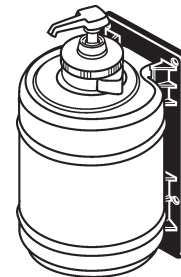

Specifications:

- System includes: Proprietary, unique Gent-L-Kleen patented dispenser, reservoir and mounting plate for use with 4000-ml refill tanks
- Color: Stay-clean black dispenser and mounting plate; see-through white refill tank and reservoir
- Capacity: 1000-ml reservoir plus 4000-ml refill tank gives user a 5000-ml system

Features And Benefits:

- Easy, quick-changing, no-mess Refill Tank empties 100% — NO WASTE.
- Reservoir back-up allows reloading at user's convenience.
- System SAVES 30-40% over other systems.
- Time-tested, heavy-duty pump mechanism is guaranteed for life.
- See-through window lets user know when refill can be changed.
- Foil seal on refill locks in freshness and eliminates tampering.
- Snap-in/Snap-out features lock reservoir and refill tank in place.
- Refill also fits 0-2270 pump-top dispenser (illustrated at right), 0-1120 flat-top gallon dispenser, and Zep Manufacturing Co.'s D-4000 dispenser (all models).
